GLOSSARY
日本酒
用語集

Junmai

‘Pure rice’ sake. No brewer’s alcohol or sugar added after the fermentation process.

Ginjo

Brewed using rice that has been polished to 60%.

Daiginjo

Brewed using rice that has been polished to 50%.

Tokubetsu

‘Special’! Sake that has particular care or attention made in the brewing process.

Nigori

Unfiltered sake that is slightly cloudy, with a milky, rich texture.

SMV

Represented by a + or - number next to the sake, the Sake Meter Value indicates how sweet or dry a sake is. The higher the number, the drier the sake.
