SAKE GLOSSARY
日本酒 用語集

Junmai
'Pure rice' sake. No brewer's alcohol or sugar added after the fermentation process.

Ginjo
Brewed using rice that has been polished to 60%.

Daiginjo
Brewed using rice that has been polished to 50%.

Tokubetsu
'Special'! Sake that has particular care or attention made in the brewing process.

Nigori
Unfiltered sake that is slightly cloudy, with a milky, rich texture.

SMV
Represented by a + or - number next to the sake, the Sake Meter Value indicates how sweet or dry a sake is. The higher the number, the drier the sake.
